**VDMA: International Rotating Equipment Conference 2019**  
**Registration possible**

**Frankfurt, January 10, 2019** – Registration for the International Rotating Equipment Conference 2019 from 24 to 25 September 2019 has begun. "From now on, experts and interested parties can register easily and conveniently online for this international top-level network," says Christoph Singrün, Managing Director of VDMA Pumps + Systems and Compressors, Compressed Air and Vacuum Technology. "Benefit from an early registration and use the early booking discount. We grant this until and including 31 May 2019."

Do you not only want to participate in the conference, but also present your company? - The sponsorship programme and the accompanying trade exhibition offer good opportunities. Talk to us or inform yourself under <http://www.introequipcon.com>.

With around 750 participants from over 30 countries (2016) and around 700 square metres of exhibition space, the "International Rotating Equipment Conference" is the world leader in the field of pumps, compressors and vacuum technology. This will take place in the Congress Center Wiesbaden.

The VDMA represents more than 3200 companies in the medium-sized mechanical and plant engineering sector. With 1.35 million employees in Germany and a turnover of 226 billion euros (2017), the sector is the largest industrial employer and one of the leading German branches of industry overall..
